I concur with the following this email, but I need to add the following notes:

- **Site 41 Report Addendum:** The Department concurs with the responses provided by Tetra Tech on this report.
- **Site 43 Response To Comments on the Draft Feasibility Study for this site:** (This is FDEPs response to the response from Tetra Tech on FDEP's original comment dated September 26, 2007) The Department concurs with the responses provided by Tetra Tech on this report.
- **Site 44 Response To Comments on the Remedial Investigation Report for this site:** (This is FDEPs response to the response from Tetra Tech on FDEP's original comment dated October 8, 2007) The Department concurs with the responses provided by Tetra Tech on this report. We want to note that the Navy has agreed to leave Lead in as a Contaminant of Concern for this site.

**Subject:** NAS Pensacola Partnering Team On-board Document Review Confirmation May 29, 2008

Everyone,

8/21/2008

This e-mail summarizes the documents reviewed during "On-board Review" at the NAS Pensacola Partnering Team meeting held in Jacksonville on May 29, 2008. The documents include:

- Site 41 (Operable Unit 16) Remedial Investigation Report Addendum - Sites 10 and 48, completed by Ensaf and submitted October 15, 2007.
- Response to FDEP Comments on the Draft Final Feasibility Study for Site 43, NAS Pensacola, Pensacola Florida December 13, 2007 completed by TtNUS.
- Naval Air Station Pensacola, Pensacola Florida Remedial Investigation Report for Site 44 (Former UST Site 3221 SW) Response to FDEP comments dated October 8, 2007 completed by TtNUS.

All three documents were approved by the Team following the "On-board review". Please call me if you have any questions concerning these documents. Thanks.

**Please respond to this e-mail as confirmation of approval of the documents.**
